Lutheran Social Service Financial Counseling (in partnership with Everance) offers confidential, non-judgmental financial counseling to anyone in the community who faces serious financial struggle, or would like to know how to handle financial issues. With a Debt Management Program, you make one payment monthly to LSS, which is dispersed to creditors. With a DMP, most creditors stop charging late fees and reduce interest rates to allow debts to be paid faster. Gain the satisfaction that your debts are paid in full and reduce your stress with this plan and a goal. Call (877) 809-0039 for more information. For Spanish language counselors, call (800) 388-2227.
